

Dear CYMA supporter!!

In 1992, the Canadian Youth Mission to Armenia was born – an initiative that would bring together young students from all over Canada. Since its inception, CYMA participants mended the gap between the Diaspora and our homeland. Hundreds of young Canadian-Armenians have traveled to Armenia to experience first-hand the joy of providing much-needed assistance to families, villages and communities.

CYMA has been one of the most successful and challenging programs set forth by the Canadian Diocese. For over twenty years, CYMA has been the platform for over 500 youth members to show courage and determination, to take up the challenge of self-discovery while learning about their historic homeland and cultural heritage – knowledge that will help them and sustain them on their lifelong journey...

This year, we call on ALL parishioners, young and old, to take a strong stand to support this very important program. As in years past, the success of this mission depends largely on your moral and financial support. We, the Armenian youth, are requesting your participation and encouragement, together with your heartfelt financial contribution to our mission.

With your support, we look forward to making sure our vision becomes reality as we go back to the heart of the true intention of the CYMA project: to develop stronger, more focused, more devoted youth and to renew our ties with our spiritual homeland.

With gratitude,

The CYMA Family
